Wollersheim Winery sits on a scenic hillside overlooking the Wisconsin River, across from Prairie du Sac. This national historic site was selected by European vintners over 150 years ago. Established as the Wollersheim Winery in 1972, today the vineyards are comprised of 27 acres of French-American hybrid and vinifera grapes. Winemaker Philippe Coquard has combined tradition with the unique climate of Wisconsin to produce regional wines distinctive to this area of Wisconsin. The winery is open for tours and tastings from 10am to 5pm daily, year-round.

The information-packed tour lasts about an hour and includes:

- History of the winery
- Visit to the hillside cave overlooking the vineyards
- Look at the modern fermentation room
- Visit to the stone aging cellars
- Wine tasting

Motorcoach Parking Available.
